

TOWN OF UNION
SUMMER NEWSLETTER JULY 2015

Who would have thunk it? Even electronic newsletters are obsolete with Facebook, Twitter etc. Well we don't have Twitter but we do have a Facebook page. And if you want up to the day news please like us and follow us on Facebook at www.Facebook.com/townofunion. At least once a week you will get some bad jokes and information on what's happening in Union.

ROADS: The road work has begun! Some of our bond money is going to work next week and more in August. Bump Hill, Pound Hill, Butler and Guinea Ridge Road to begin with, along with Davis road that was already planned. Later this summer we will be doing Clarry Hill road, so be aware of construction and if you get on Facebook you will have updates on what is going on when.

MAILBOXES: Hard to believe that it is 90° out and I want to talk about your mailbox getting struck or pushed back by the snow. Time to move it, give our Public Works a call and we will come out and give you advice and may, I say may, even bring some gravel out if it works to all of our benefit. It saves us from saying *&^%\$ when one is hit and it saves you from calling us even worse.

FOUNDERS DAY THIS WEEKEND! Founder's Day is this weekend, July 17, 18 and 19, a full schedule is online at www.union.maine.gov The parade is at 10:00 am on Saturday so please come and enjoy it, or better yet **come and be in the parade**. You or your group can walk, ride, crawl of whatever you wish, make a float, decorate a vehicle, have some fun. Meet at the Union Town Office at 9:30

Friday night features PIES, and more PIES. Burgers, hot dogs and did I mention PIES. Plus some great music both Friday and Saturday.

Saturday parade day also features Chicken BBQ, Burgers, Dogs plus we have some bounce houses (free) a dunk tank and vendors. Bring a friend and enjoy a great time on the Common.

COMPREHENSIVE PLAN COMMITTEE: We are in need of a couple more people to be on the comprehensive plan committee, this is about a 2 year commitment but it is a very important process we need to go through every 10 years. If you have an interest in how our Town progresses over the next 10 years, you may want to be on the committee. Simply fill out a statement of interest form available online and the Board of Selectmen will take it from there.

**SEE YOU AT FOUNDER'S DAY
THIS WEEKEND!**
